Number of students in your school who are 12 years of age or under on October 3, 2009 _____ (This number will be used to calculate percentage of participation)

To register your school, we must receive this completed form no later than Friday, September 18, 2009. There are three ways students may register for the Super Kids Marathon: 1) individual PRE-registration, 2) individual race-day registration and 3) individual student registration submitted by school.

Since students may register individually, as soon as we receive your schools' registration, we will begin a file for your school and credit your students' registration. Schools who choose to collect and send their students' registrations in as a group are encouraged to do so; however, they must be received in our office prior to the event. Registrations postmarked after September 18th cannot be guaranteed. Additionally, to assure that your students receive their official Super Kids Marathon T-shirt and race packet **ON RACE DAY**, we must receive their individual registration by September 18, 2009. Registrations received after pre-registration deadline may have shirts delivered the following week.

The top three finishers of each of the three school divisions of the KSWO Challenge will be announced at the Awards Ceremony on Saturday, October 3 at 2 p.m. and checks will be awarded on stage.

Thank you for your support of the Spirit of Survival Super Kids Marathon and for taking an active role in the health and wellness of your students!
